- 🌐 PMI National Awards
- 🌐 Creative networking - PMI AC Passports provided
- 🌐 BYO - sense of fun, taste for adventure!

David De Vito

One of the many pleasures for most Project Practitioners is travelling to new destinations, working in challenging environments and experiencing new cultures. This year's conference celebrates the global environment in which we all work and live. We invite you to share your travel experiences and partake in a trip down memory lane with us.

Indulge your senses with the riveting voice of David De Vito; powerfully moving and astonishingly beautiful! David is a Queensland artist who has reached pinnacle heights on the world stage; a fitting addition to celebrate the PMI Australia Conference and Awards.

Most importantly the evening recognises the significant contribution of Project Professionals through the national Awards. Join us in congratulating the award recipients and the industry's achievements.

All are welcome to attend the PMI Gala Dinner & Awards - including non PMI members. Separate ticket required. www.pmiac.org.au/dinner/
